PRE-APPEAL BRIEF REVIEW**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

A Notice of Panel Decision from Pre-Appeal Brief Review was issued by the United States Patent and Trademark Office with a stated mailing date of November 10, 2009, but the Notice was not received in the offices of the undersigned. Applicant did not learn about issuance of the Notice until November 30, 2009 through a check of the PAIR database that revealed the issuance (but non-receipt) of the Notice.

As evidence that the Notice was not received from the Patent Office, attached is an excerpt from a docket log for December 10, 2009. This docket log is maintained continuously and is updated daily to list all actions that are received by the law firm of the undersigned in mail from the Patent Office, arranged by due date. The attached excerpt lists all actions having a due date of December 10, 2009. The first column is blank to differentiate different dates; the second column identifies the first named inventor and the application serial number; the third column identifies the action; and the fourth column identifies the attorney docket number. (Additional confidential client information contained in the docket

log but not relevant to the present issue has been redacted.) Had the Notice been received, it would have been entered as follows in the docket log for December 10, 2009:

	KOJIMA 10/519,796 [XXXXXXXXXX]	APPEAL BRIEF DUE	123745

The fact that this item does not appear in the docket log indicates that the Notice was not received by Applicant's representatives.
